

JOIN THE FIGHT TO SAVE YOUR RIGHT TO REPAIR

Display Size: 8.5" x 11"

Poster Size: 24" x 36"

Have you ever:

- Sent a customer's car to a new car dealer because you didn't have the information or tool to complete the repair?
- Spent hours or even days tracking down the information or tools needed to perform a repair for a customer?
- Relied on a new car dealer or its employee to obtain access to a repair capability for a car sitting in your shop?
- Paid hundreds or even thousands of dollars for information, tools or program downloads that were only available from the vehicle manufacturer?

It does not have to be this way!

- You deserve the right to **affordable** and **convenient** access to the same information and tools that are available to the new car dealer.
- You should **never** be dependent on your biggest competitor, the new car dealer, to serve the repair needs of your customers.
- Your customer should **always** have the ability to obtain all repair services for their late model vehicle from your shop and should **never** feel that the dealer is the only alternative.

Just fill out the attached form and we will forward your Legislative Action Kit ASAP.

Fight for your rights!

Join the fight to obtain passage of the Motor Vehicle Owners' Right to Repair Act by ordering a Legislative Action Kit. The kit includes:

- A point of sale display and poster to inform your customers of the need for this bill.
- A petition that can be signed by your employees and then forwarded to your elected officials.
- A form that you can use to complain if the information and tools necessary to repair a customer's car is not available from the manufacturer.

Fax this order form to Alexis Walters at 301-654-3299.
For more information, contact Alexis Walters at 240-333-1028.
